Re: Grant No. 3216

Dear Dr. Bierman:

The Scientific Director and CTR's staff have discussed your request for partial support of the 1992 Deuel Lipid conference to be held in Napa CA, March 10-13. I therefore am pleased to tell you that we will make a contribution of $2,000.00 to help defray the costs of the conference and to ensure the attendance of a representative from our organization. A check for that amount is enclosed with this letter; it would assist in our record-keeping if we could have a short written acknowledgement of the contribution.

As always, we request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector. Since I will probably be the attendee, future announcements should be directed to me.

Sincerely,

HCM

Harmon C. McAllister
